## ***IMAGINART* COMES TO WOODBURY**

*IMAGINART* is a project created by the Greater Woodbury Arts Council (GWAC) to highlight works of regional artists. GWAC recognizes that ART is an important cultural element in the community and is partnering with the City of Woodbury and Woodbury Main Street to create this exciting exhibit. *IMAGINART* is a unique art project focusing on original 'installation artwork' in designated vacant storefronts on South Broad Street in downtown Woodbury.

In this exhibit, the *IMAGINART* artists will explore the environment and issues related to the environment by utilizing materials that reflect "green", such as found objects and recycled/bio-degradable materials. .

**The unveiling of the *IMAGINART* windows will be on June 12<sup>th</sup>**

### **Exhibiting Artists:**
