Woodbury Public Library Events Calendar
All of our programming is FREE and OPEN TO THE PUBLIC

We are so excited about all the new things going on here at the library - you are going to need your calendar - go get it, I'll wait....

**Wednesday, January 23 at 7:00PM (ie: tomorrow!)**
*Juicing and Smoothies for Health* program with Laurence Kelly and Sarah Philbrick Kelly. We'll learn how to use our juicers AND some good combinations for taste and health. We'll do a little sampling, too. Tasty!

Then there's the BIG NEWS - our new monthly acoustic coffeehouses FOOTNOTES - one Friday a month we'll be hosting a local musician for an acoustic performance and a local visual artist for a "flash gallery" (only up for the duration of the coffeehouse!) - we are so excited to offer music and art in the library. These are free and completely open to the public regardless of where you live. Please spread the word and bring your friends!

**Friday January 25 from 7PM to 8:30PM**
*Footnotes Acoustic Coffeehouse with musician Steve Shomo and visual artist Jen Buerkli of Blue Heron Studios.* Check out our website and Facebook events for a complete line-up.

**Tues, January 29 at 7PM**
is our reschedule of the *SECRETS OF THE HUNLEY* program about the Civil War submarine with Bill Jenkins - so much interesting history here (and I've heard there's even a love story - stand aside Titanic!). Hope you'll join us.

Moving on to February, we've got two new weekly programs starting!

**Beginning Monday, February 4th from 12:30 to 2:30**
we've got *Bridge for Beginners*. If you've always wanted to learn how to play this classic card game, join our instructors every Monday in our activities room. You are welcome to bring a snack or your lunch. No experience required!

**Beginning Tuesday, February 5th from 1:00PM to 1:30PM**
It's Toddler Time with Mrs. B! Ages 18 months to 3 years are welcome for this 1/2 hour program including stories, songs, and more!

**Monday, February 11 at 7PM**
The continuation of our creative workshops for adults. This month we're making a *Wire Heart Sculpture with Serendipity Workshops* complete with beads and baubles! This class is limited to 12 participants and we're almost filled up so if you want a spot stop what you're doing and call us NOW! 845-2611. All supplies are provided. Must be 16 or older.

**Monday February 18 we will be CLOSED for Presidents' Day.**

**Tuesday, February 19 at 6:30PM**
We'll be celebrating Black History Month with Randolph Joalahiae's presentation *Marcus Garvey and His Legacy*. This promises to be another outstanding history program - I hope you won't miss it (and I hope students will ask their teachers about extra credit for attending!)

**Wednesday February 20 at 6:30**

The second of our new monthly *Board Game Night with Tiki Tiki Board Games* - if you missed our first one in January let me tell you that it was LOADS of fun. Seriously if you're 12 or over, make a point to get here.

**Friday February 22 at 7:00**

Second *Footnotes Acoustic Coffeehouse with Jeffrey Fields of Morning River Band and Painter Loren Dann*. What could be better than after-hours art and music? We won't even shush you!

**And yet ANOTHER new program beginning Thursday, February 28 from 3:30 to 4:30**

**Kids' Lego Club!** Held the last Thursday of every month there will be a challenge as well as free building time. BYO Legos (and if you have any you'd like to donate for participants to use at the library, please get in touch with us or drop 'em off!).

All our usual monthly programming is still happening:

**Tuesday February 12: 1:00PM**

Tues Book Discussion: Secret History - Donna Tartt (2nd Tuesday, Monthly)

**Wednesday February 13: 7:00PM**

Wed Book Discussion: Moonstone - Wilkie Collins (2nd Wednesday, Monthly)

**Thursday February 28: 3:30PM**

Kids' Lego Club (Last Thursday, Monthly)

**Wednesday February 20 6:30PM**

Board Game Night with Tiki Tiki Board Games Ages 12 and Up (3rd Wed, Monthly)

**Tuesday February 26 at 2PM (note new time)**

What is Art? Movie Series: Pierre-Auguste Renoir

Plus weekly programming:
