The provisions of this manual may be amended and supplemented from time to time without notice and at the sole discretion of the City.

<p>To the maximum extent permitted by law, the employment practices of the City shall operate under the legal doctrine known, as "employment at will." These policies are enacted by the City of Woodbury in order to further the following goals:

- 1. To provide a uniform system of personnel administration throughout the City service.**
- 2. To ensure that recruitment, selection, placement, promotion, retention and separation of City employees are based upon employees' qualifications and fitness, and are in compliance with Federal and state laws.**
- 3. To assist department heads in the development of sound management practices and procedures, and to make effective and consistent use of human resources throughout the City.**

SECTION ONE

Policies Relating to Employee Rights and Obligations:

Anti-Discrimination Policy:*

The City is committed to the principle of equal employment opportunity and anti-discrimination pursuant to Title VII of the 1964 Civil Rights Act as amended by the Equal Opportunity Act of 1972 and the New Jersey Law Against Discrimination (LAD). Under no circumstances will the City discriminate, **or tolerate discrimination**, on the basis of sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), liability for service in the United States armed forces, and/or any other characteristic protected by law. If any employee or prospective employee feels they have been treated unfairly, they have the right to address their concern with their supervisor, or if they prefer their Department Head, City Administrator, the Deputy Administrator or the Labor Counsel.

EMPLOYMENT PRACTICES PERSONNEL

A. Personnel Officer

The City has designated the City Administrator as its Personnel Officer. In the event that the City Administrator is unavailable to perform the responsibilities of this position as required pursuant to the terms of the Municipality's employee manual either due to absence or a conflict of interest, then the Deputy Administrator shall be designated as the alternate Personnel Officer. If neither individual is able to perform the responsibilities, then employees are to be instructed that any member of the governing body is to be advised of a potential complaint of a suspected violation of municipal policy or procedure. The member of the governing body shall then contact the municipality's labor consultant, labor attorney or municipal attorney for the purpose of investigating the complaint and formulating the appropriate response plan.

The Personnel Officer and alternate Personnel Officer shall be required to attend seminars and/or other instructional training dedicated to employment practice liability not less than annually and proof of attendance shall be maintained in the Personnel Officer's and alternate Personnel Officer's personnel file. In addition to the responsibilities set forth above and as otherwise identified in this manual, the Personnel Officer shall also be responsible for the following functions:

- 2. Maintenance and annual review of the Municipality's employee manual.**

3. **Distribution and posting of all employment related notices including, but not limited to, available employment, anti-discrimination and anti- sexual harassment notices distributed by the U.S. Department of Labor, New Jersey Department of Labor, New Jersey Division on Civil Rights, the Equal Employment Opportunity Commission and any other applicable New Jersey or federal agencies.**

B. Labor Consultant

The Municipality has also retained the services of the Labor Counsel to assist the Personnel Officer in the review, screening and investigative process for employee complaints of violations of the Municipality's employment policies and procedures as established in the Municipality's employee manual.

Americans with Disabilities Act Policy:*

In compliance with the Americans with Disabilities Act, the ADA Amendments Act and the New Jersey Law Against Discrimination, the City does not discriminate based on disability. The City will endeavor to make every work environment handicap assessable and all future construction and renovation of facilities will be in accordance with applicable barrier-free Federal and State regulations and the Americans with Disabilities Act Accessibility Guidelines, as well as the ADA Amendments Act.

It is the policy of the City to comply with all relevant and applicable provisions of the Americans with Disabilities Act, the ADA Amendments Act and the New Jersey Law Against Discrimination. We will not discriminate against any employee or job applicant with respect to any terms, conditions, or privileges of employment on the basis of a known or perceived disability. We will also make reasonable accommodations to known physical or mental limitations of all employees and applicants with disabilities, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose undue hardship on the City.

The City Administrator shall engage in an interactive dialogue with disabled employees and prospective employees to identify reasonable accommodations. All decisions with regard to reasonable accommodation shall be made by the City Administrator. Employees who are assigned to a new position as a reasonable accommodation will receive the salary for their new position.

The Americans with Disabilities Act does not require the City to offer permanent "light duty", relocate essential job functions, or provide personal use items such as eyeglasses, hearing aids, wheelchairs, etc.

Employees should also offer assistance, to the extent possible, to any member of the public who requests or needs an accommodation when visiting City facilities. Any questions concerning proper assistance should be directed to City Administrator.

Contagious or Life Threatening Illnesses Policy:*

The City encourages employees with contagious diseases or life-threatening illnesses to continue their normal pursuits, including work, to the extent allowed by their condition. The City shall make reasonable accommodations to known physical and mental limitations of all employees, provided that the individual is otherwise qualified to safely perform the essential functions of the job and also provided that the accommodation does not impose an unreasonable hardship on the City.

The City will take reasonable precautions to protect such information from inappropriate disclosure, including the following:

- Medical information may be disclosed with the prior written informed consent of the person who is the subject of the information.
- Information may be disclosed without the prior written consent to qualified individuals for the purpose of conducting management audits, financial audits, and program evaluations, but these individuals shall not identify, either directly or indirectly, the person who is the subject of the record in a report or evaluation, or otherwise disclose the person's identity in any manner. Information shall not be released to these individuals unless it is vital to the audit or evaluation.
- Information may be disclosed to the Department of Health as required by State or Federal law.

Managers and other employees have a responsibility to maintain the confidentiality of employee medical information. Anyone inappropriately disclosing such information shall be subject to disciplinary action.

The City has an obligation to provide a safe and healthy work environment for all employees. In an effort to balance the needs of the City, the public and the employees, the City hereby establishes the following policy regarding contagious or life threatening illnesses.

City employees who have been diagnosed with any illness which may pose a health hazard to other employees or to the public at large must disclose this information to the City Personnel Officer at the earliest possible time. The Personnel Officer or City Administrator shall consult with a physician, contracted by the City, in order to make a determination and assess the risks to any other employees and the public at large. The City may direct the employee to pursue one of the following options:

- 1. Family Leave**
- 2. Sick Leave**
- 3. Vacation Leave**
- 4. Short Term Disability, if the illness is anticipated to last a brief period of time.**
- 5. Unpaid Leave of Absence, if the employee has expended all other accrued time.**
- 6. Permanent Disability, if the illness is permanent in nature and the employee qualifies under the appropriate State pension plan.**
- 7. Resignation, if the illness is of such a nature that the employee will be unable to return to work, has exhausted all other accumulated time and fails to qualify for**

disability benefits under any State pension plan.

Any employee who fails to make the required disclosure to the City Personnel Officer may be subject to disciplinary action including termination of employment.

Safety Policy:

The City will provide a safe and healthy work environment and shall comply with the Public Employees Occupational Safety and Health Act (PEOSHA). The City is equally concerned about the safety of the public. Consistent with this policy, employees will receive periodic safety training and will be provided with appropriate safety equipment. Employees are responsible for observing safety rules and using available safety devices including personal protective equipment. Failure to do so constitutes grounds for disciplinary action. Any occupational or public unsafe condition, practice, procedure or act must be immediately reported to the supervisor or Department Head. Any on-the-job accident or accident involving City facilities, equipment or motor vehicles must also be immediately reported to the supervisor or Department Head.

The City has appointed a Safety Committee that meets on a regular basis to discuss and recommend solutions to safety problems. Employees are encouraged to discuss safety concerns with their Safety Committee Representative.

Transitional Duty Policy:

The City will endeavor to bring employees with temporary disabilities back on the job as soon as possible and may assign transitional duty to employees who temporarily cannot perform the essential functions of their positions because of injury or illness. Transitional duty is not guaranteed and will not exceed forty-five workdays. If a department already has one employee on transitional duty, it is unlikely that another employee from that department will be assigned transitional duty.

An employee requesting transitional duty or the Workers Compensation Physician shall notify the City Administrator as soon as the temporarily disabled employee is able to return to work with restrictions. Transitional duty will only be assigned if the employee will probably be able to perform the essential functions of the position after the transitional duty period. The City Administrator will consult with the Department Head to determine if there is any meaningful work that can be performed consistent with the restrictions. Transitional duty assignments may be in any department and not just the employee's normal department. The City Administrator will decide if it is in the best interest of the City to approve a transitional duty request and will notify the employee of the decision. The City reserves the right to terminate the transitional duty assignment at any time without cause.

Employees may not refuse transitional duty assignments that are recommended by the Workers Compensation Physician. In such cases, failure to report to work as directed shall constitute immediate grounds for dismissal. If the employee believes that the transitional duty assignment is beyond the employee's abilities, the employee may request a meeting with the City Administrator who will render a written response within 24 hours.

Employees on transitional duty will receive their regular salaries and are prohibited from engaging in any outside employment of any kind unless they receive prior written approval from the City Administrator. If transitional duty is approved, the employee or Workers Compensation Physician must keep the City Administrator informed of the medical progress. (Employees assigned to transitional duty will be allotted time off to attend medical or physical therapy appointments but must request leave time for any other reason.) If at the end of transitional duty period the employee is not able to return to work without restrictions, the City reserves the right at its sole discretion to extend the transitional duty or place the employee back on Workers Compensation or disability. This policy does not affect an employee's rights under the Americans with Disabilities Act, the Family and Medical Leave Act, the Fair Labor Standards Act, the Contagious or Life Threatening Illnesses Policy or other Federal or State law.

Drugs and Alcohol Policy:*

The City recognizes that the possession or use of unlawful drugs and the abuse of alcohol pose a threat to the health and safety of all employees. Any employee who is observed by a supervisor or department head to be intoxicated or under the influence of alcohol or drugs during working hours or is under reasonable suspicion of same shall be immediately tested and is subject to discipline up to and including termination. The supervisor or Department Head will immediately report any reasonable suspicions to the City Administrator.

An employee will be required to submit to alcohol, drug or controlled substance testing when the employee's work performance causes a reasonable suspicion that that employee is impaired due to current intoxication, drug or controlled substance use, or in cases where employment has been conditioned upon remaining alcohol, drug, or controlled dangerous substance free following treatment. Refusal to submit to testing when requested may result in immediate disciplinary action, including termination. Supervisors or Department heads that observe behavior constituting reasonable suspicion are required to institute testing and do not have the option of sending the employee home as an alternative.

The manufacturing, distribution, dispensation, possession, and use of alcohol or unlawful drugs on City premises or during work hours by employees are strictly prohibited.

Employees must notify their supervisor within five (5) days of conviction for a drug or alcohol related violation, whether or not the violation occurred in the workplace.

Employees who are required to maintain a Commercial Driver's License (CDL) are subject to random drug testing as required by the federal government.

Employees using prescription drugs that may affect job performance or safety must notify the City Administrator who is required to maintain the confidentiality of any information regarding an employee's medical condition in accordance with the Health Insurance Portability and Protection Act. City personnel who hold a Commercial Driver's License (CDL) are subject to the provisions of the Commercial Driver's Licenses Drug and Alcohol Testing Policy. A program to assist employees who may have a drug/alcohol problem is provided through the City's Employee Assistance Program.

No prescription drug should be used by any person other than the individual to whom it is prescribed. Such substances or non-prescription (over-the-counter) drugs should be used only as prescribed or indicated. Employees are prohibited from consuming prescription drugs that are not prescribed in their name on City property or while performing City business. Soliciting or distributing prescription drugs for or to other employees is also strictly prohibited.

Workplace Violence Policy:*

The City will not tolerate workplace violence. Violent acts or threats made by an employee against another person or property are cause for immediate dismissal and will be fully prosecuted. This includes any violence or threats made on City property, at City events or under other circumstances that may negatively affect the City's ability to conduct business.

Prohibited conduct includes:

- Causing physical injury to another person;
- Making threatening remarks;
- Aggressive, hostile, or bullying behavior that creates a reasonable fear of injury to another person or subjects another individual to emotional distress;
- Intentionally damaging employer property or property of another employee;
- Possession of a weapon while on City property or while on City business except with the authority of the Police Chief; and
- Committing acts motivated by, or related to, sexual harassment or domestic violence.

Any potentially dangerous situations must be immediately reported. The City will actively intervene in any potentially hostile or violent situation.

General Anti-Harassment Policy:*

It is the City's policy to prohibit harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee on the basis of actual or perceived sex, race, creed, color, religion, national origin, ancestry, age, marital or political status, affectional or sexual orientation, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), gender identity or expression, liability for service in the United States armed forces, and/or any other characteristic protected by law. Harassment of non-employees by our employees is also prohibited. While it is not easy to define precisely what harassment is, it includes slurs, epithets, threats, derogatory comments, unwelcome jokes, teasing, caricatures or representations of persons using electronically or physically altered photos, drawings, or images, and other similar verbal written, printed or physical conduct

If an employee is witness to or believes to have experienced harassment, immediate notification of the supervisor or other appropriate person should take place. See the Employee Complaint Policy.

Harassment of any employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to the supervisor. Appropriate action will be taken against any non-employee.

Notification of appropriate personnel of any harassment problem is essential to the success of this policy and the City generally. The City cannot resolve a harassment problem unless it knows about it. Therefore, it is the responsibility of all employees to bring those kinds of problems to attention of the appropriate officials so that steps are taken to correct them.

Violation of this harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

Anti-Sexual Harassment Policy:*

It is the City's policy to prohibit sexual harassment of an employee by another employee, management representative, supplier, volunteer, or business invitee. The City prohibits sexual harassment from occurring in the workplace or at any other location at which City sponsored activity takes place. Sexual harassment of non-employees by our employees is also prohibited. The purpose of this policy is not to regulate personal morality or to encroach upon one's personal life, but to demonstrate a strong commitment to maintaining a workplace free of sexual harassment.

Unwelcome sexual advances, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for an employment decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive work environment.

Regarding unwelcome sexual advances toward non-employees, requests for sexual favors and other verbal, physical or visual conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made either explicitly or implicitly in exchange for a benefit;
- Submission to or rejection of such conduct by an individual is used as the basis for a decision affecting the individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's activities or creating an intimidating, hostile or offensive environment.

Sexual harassment may include unwanted sexual advances; offering employment benefits in exchange for sexual favors; visual conduct (leering, making sexual gestures, displaying of sexually suggestive objects or pictures, cartoons or posters); verbal sexual advances, propositions or requests; verbal abuse of a sexual nature; graphic verbal commentaries about an individual's body; sexually degrading words used to describe an individual; suggestive or obscene letters, caricatures or representations of persons using electronically or physically altered photos, drawings, or images; notes or invitations; and/or, physical conduct (touching, assault, impeding or blocking movements).

If an employee is witness to or believes that the employee has experienced sexual harassment, they must immediately notify their supervisor or other appropriate person. See the Employee Complaint Policy.

Harassment of City employees, in connection with their work, by non-employees may also be a violation of this policy. Any employee who experiences harassment by a non-employee, or who observes harassment of an employee by a non-employee should report such harassment to their supervisor. Appropriate action will be taken against any non-employee.

Notification by employee to appropriate personnel of any harassment problem is essential to the success of this policy and the City generally. The City cannot resolve a harassment problem unless it is reported. Therefore, it is the responsibility of all employees to bring those kinds of problems to the attention of management so that steps are necessary to correct them.

Violation of this sexual harassment policy will subject employees to disciplinary action, up to and including immediate discharge.

“Whistle Blower” Policy:*

Employees have the right under the “Conscientious Employee Protection Act (CEPA)” to complain about any activity, policy or practice that the employees reasonably believe is in violation of a law, rule, or regulation promulgated pursuant to law without fear of retaliation or reprisal. This right shall be communicated to all employees in an annual letter outlining the specific employee complaint procedure and in a posted notice. A written acknowledgement that the employee received, read, and understood this letter will be included in the employee's official personnel file. The annual notice shall be in English and Spanish and must contain the name of the person who is designated to receive written notification of policies or practices that might violate CEPA. This right will also be communicated in the Employee Handbook. All complaints will be taken seriously and promptly investigated.

The City shall not take any retaliatory action or tolerate any reprisal against an employee for any of the following:

- Disclosing or threatening to disclose to a supervisor, Department Head, the City Administrator, other official or to a public body, as defined in the Conscientious Employee Protection Act (N.J.S.A. 34:19-1 et seq.) an activity, policy or practice that the employee reasonably believes is in violation of a law, a rule or regulation promulgated pursuant to law;
- Providing information to, or testifying before any public body conducting an investigation, hearing, an inquiry into any violation of law, or a rule or regulation promulgated pursuant to law; or
- Objecting to, or refusing to participate in any activity, policy, or practice that the employee reasonably believes is a violation of a law, rule or regulation promulgated pursuant to law; is fraudulent or criminal; or is incompatible with a clear public policy mandate concerning the public health, safety, or welfare.

In accordance with the statute, the employee must bring the violation to the attention of the City Administrator. However, disclosure is not required where (1) the employee is reasonably certain that the violation is known to one or more officials; (2) where the employee reasonably fears physical harm; or (3) the situation is emergency in nature. Employees are encouraged to complain in writing using the Employee Complaint form. See Employee Complaint Policy. Under the law, the employee must give the City a reasonable opportunity to correct the activity, policy or practice. The administration of whistle blower complaints is not subject to the limitations in the Grievance Policy.

Employee Complaint Policy:*

Employees who observe actions they believe to constitute harassment, sexual harassment, or any other workplace wrongdoing should immediately report the matter to their supervisor, or, if they prefer, or do not think that the matter can be discussed with their supervisor, they should contact the Department Head, the City Administrator, the Deputy Administrator or the Labor Counsel. Reporting of such incidents is encouraged both when an employee feels that he or she is subject to such incidents, or observes such incidents in reference to other employees. Employees should report incidents in writing using the Employee Complaint form, but may make a verbal complaint at their discretion. If the employee has any questions about what constitutes harassment, sexual harassment, or any other workplace wrongdoing, they may ask their supervisor or one of the individuals listed above. All reports of harassment, sexual harassment, or other wrongdoing will be promptly investigated by a person who is not involved in the alleged harassment or wrongdoing.

No employee will be penalized in any way for reporting a complaint. There will be no discrimination or retaliation against any individual who files a good-faith harassment complaint, even if the investigation produces insufficient evidence to support the complaint, and even if the charges cannot be proven. There will be no discrimination or retaliation against any other individual who participates in the investigation of a complaint.

If the investigation substantiates the complaint, appropriate corrective and/or disciplinary action will be swiftly pursued. Disciplinary action up to and including discharge will also be

taken against individuals who make false or frivolous accusations, such as those made maliciously or recklessly. Actions taken internally to investigate and resolve harassment complaints will be conducted confidentially to the extent practicable and appropriate in order to protect the privacy of persons involved. Any investigation may include interviews with the parties involved in the incident, and if necessary, with individuals who may have observed the incident or conduct or who have other relevant knowledge. The complaining employee will be notified of a decision at the conclusion of the investigation within a reasonable time from the date of the report an incident.

The conduct or actions of supervisors intended to provide employee discipline, such as deficiency notices, performance evaluations, oral warnings, reprimands or other supervisory actions intended to promote positive performance, by themselves, do not constitute harassment.

Grievance Policy:

A grievance is any formal dispute concerning the interpretation, application and enforcement of any personnel policy or procedure of the City. Grievances from union employees will be handled pursuant to the terms of the applicable bargaining unit agreement. All grievances from non-union employees must be presented within five working dates after arising and failure to report a grievance within such time shall be deemed as a waiver of the grievance. In the event of a settlement or ruling that results in a determination of monetary liability, such liability shall not exceed more than thirty working days prior to the date the grievance was first presented in writing.

- **Step One:** Any employee or group of employees with a grievance shall in writing communicate the grievance to the supervisor or Department Head who will discuss the matter with the City Administrator and the City Administrator. The supervisor or Department Head will communicate in writing, the decision to the employee within two working days.
- **Step Two:** If the employee is not satisfied with the decision, the employee must submit a written grievance to the City Administrator detailing the facts and the relief requested. The decision in step one will be deemed final if the employee fails to submit a written grievance within five days working days of the step one decision. After consulting the City Administrator and the Labor Counsel as appropriate, the City Administrator will render a written decision to the employee within five working days after receipt of the written grievance.

These limitations do not apply to employee complaints made under the General Anti-Harassment Policy, the Anti-Sexual Harassment Policy or the Whistle Blower Policy.

Access to Personnel Files Policy:*

The official personnel file for each employee shall be maintained by the City Administrator. Personnel files are confidential records that must be secured in a locked cabinet and will only be available to authorized managerial and supervisory personnel on a need-to-know basis. Records relating to any medical condition will be maintained in a separate file. Electronic personnel and medical records must be protected from unauthorized access.

Upon request, employees may inspect their own personnel files at a mutually agreeable time on the City premises in the presence of the City Administrator or a designated supervisor. The employee will be entitled to see any records used to determine his or her qualification for employment, promotion or wage increases and any records used for disciplinary purposes. Employees may not remove any papers from the file. Employees will be allowed to have a copy of any document they have signed relating to their obtaining employment. Employees may add to the file their versions of any disputed item.

Personnel files do not contain confidential employee medical information. Any such information that the City may obtain will be maintained in separate files and treated at all times as confidential information. Any such medical information may be disclosed under very limited circumstances in accordance with any applicable legal requirements.

The City endeavors to maintain the privacy of personnel records. There are limited circumstances in which the City will release information contained in personnel or medical records to persons outside the City. These circumstances include:

- In response to a valid subpoena, court order or order of an authorized administrative agency;
- To an authorized governmental agency as part of an investigation of the City's compliance with applicable law;
- To the City's agents and attorneys, when necessary;
- In a lawsuit, administrative proceeding, grievance or arbitration in which the employee and the City are parties;
- In a workers' compensation proceeding;
- To administer benefit plans;
- To an authorized health care provider;
- To first aid or safety personnel, when necessary; and
- To a potential future employer or other person requesting a verification of your employment as described in the following section titled, "Requests for Employment Verification and Reference Procedure."

Conflict of Interest Policy:*

Employees including City officials must conduct business according to the highest ethical standards of public service. Employees are expected to devote their best efforts to the interests of the City. Violations of this policy will result in appropriate discipline including termination.

The City recognizes the right of employees to engage in outside activities that are private nature and unrelated to City business. However, business dealings that appear to create a conflict between the employee and the City's interests are unlawful under the New Jersey Local Government Ethics Act. Under the Act, certain employees and officials are required to annually file with the City Clerk a state mandated disclosure form. The City Clerk will notify employees and City officials subject to the filing requirements of the Act.

A potential or actual conflict of interest occurs whenever an employee including a City official is in a position to influence a City decision that may result in a personal gain for the employee or an immediate relative including a spouse or significant other, child, parent, stepchild,

sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household. Employees are required to disclose possible conflicts so that the City may assess and prevent potential conflicts. If there are any questions whether an action or proposed course of conduct would create a conflict of interest, immediately contact the City Administrator or the City Solicitor to obtain clarification.

Employees are allowed to hold outside employment as long as it does not interfere with their City responsibilities. Employees are prohibited from engaging in outside employment activities while on the job or using City time, supplies or equipment in the outside employment activities. The City Administrator may request employees to restrict outside employment if the quality of City work diminishes. Any employees who holds an interest in, or is employed by, any business doing business with the City must submit a written notice of these outside interests to the City Administrator.

Employees may not accept donations, gratuities, contributions or gifts that could be interpreted to affect their City duties. Under no circumstances may an employee accept donations, gratuities, contributions or gifts from a vendor doing business with or seeking to do business with the City or any person or firm seeking to influence City decisions. Meals and other entertainment valued in excess of \$25 are also prohibited. Employees are required to report to the City Administrator any offer of a donation, gratuity, contribution or gift including meals and entertainment that is in violation of this policy.

Contributions and Honorariums:

Speeches and presentations which are related to City services delivered by City employees to community and professional organizations are made without charge. If an organization wishes to give an honorarium or contribution for such a presentation, the remuneration must be made to the City, not to the individual employee.

An honorarium or contribution for a speech or other presentation made by a City employee to a group outside the City, either during working time or for which the City provided travel expenses, will also be made to the City.

Such contributions and honorariums shall be turned over to the Chief Financial Officer for disposition.

Solicitations:

With the exception of United Way (GCPECC) and other City-approved activities, peddling or soliciting for sale or donation of any kind on City premises during normal working hours is not allowed.

Working hours include the working time of both the employee doing the soliciting or distributing, and the employee to whom such activity is directed.

Employees are free to discuss these matters before or after normal working hours, and during lunch or rest periods in non-work areas.

Political Activity Policy:*

Employees have exactly the same right as any other citizen to join political organizations and participate in political activities, as long as they maintain a clear separation between their official responsibilities and their political affiliations. Employees are prohibited from engaging in political activities while performing their public duties and from using City time, supplies or equipment in any political activity. Any violation of this policy must be reported to the supervisor, Department Head, City Administrator, Deputy Administrator or the City Solicitor.

In every case involving employee discipline, employees will be provided with an opportunity to respond to charges either verbally or in writing.

In cases of employee misconduct, the City believes in corrective action for the purpose of correcting undesirable behavior and preventing a recurrence of that behavior. The corrective action taken will be related to the gravity of the situation, the number and kind of previous infractions and other circumstances. In every case, employees will be given an opportunity to state the situation from their point of view.

In order to correct undesirable behavior, supervisors and managers may utilize the following corrective tools: verbal reprimand; City Administrator review; written reprimand; suspension; fines, and, dismissal. Resignation Policy:

An employee who intends to resign must notify the Department Head in writing at least two weeks in advance. After giving notice of resignation, employees are expected to assist their supervisor and co-employees by providing information concerning their current projects and help in the training of a replacement. During the last two weeks, the employee may not use paid time off except paid holidays. The Department Head will prepare an Employee Action form showing any pay or other money owed the employee. The City Administrator will conduct a confidential exit interview to discuss benefits including COBRA options, appropriate retirement issues and pay due. A COBRA notification letter will be sent to the employee's home address. The exit interview will also include an open discussion with the employee. On the last day of work, and prior to receiving the final paycheck, the employee must return the Employee Identification Card, all keys and equipment. Service Retirement is voluntary termination after having satisfied the age and length of employment requirements of the State of New Jersey Public Employees Retirement System or Police and Fire Retirement System.

Disability Retirement is termination necessitated by an injury or illness which renders the employee incapable of performing his/her usual job. The termination is preceded by a ruling by the appropriate Board of Pensions (P.E.R.S. or P.F.R.S.) verifying the disability and approving the retirement.

Employee-Initiated Resignation is voluntary termination for any reason other than formal retirement. An employee wanting to leave the City in good standing shall provide a written resignation to his/her immediate supervisor at least 14 calendar days prior to the effective date of resignation. The resignation letter should include the reason for leaving as well as the proposed effective date. Two weeks notice is understood to mean that the resigning employee will be available for work during this time so as to aid in the training of a replacement. Failure to provide two weeks advance notice may result in a forfeit of accumulated vacation or personal leave time. Exceptions to the time limit requirement may be granted by the Personnel Officer.

Supervisor-Initiated Resignation is termination requested by the supervisor which permits the employee to resign in lieu of being discharged. A termination of this type occurs only after the supervisor's consultation with the Personnel Officer. An evaluation of the circumstances is conducted, including reasons for the request, supporting documentation, and alternatives. Guidelines are similar to those for discharge.

Discharge is termination of an employee by the City. Refer to the policy on "DISCIPLINARY ACTION".

Layoff is termination of an employee by the City for lack of work, lack of funds, or other changes that have taken place. A reduction in force is accomplished in accordance with labor contracts, however work schedules should be planned to keep periodic or recurring layoffs to a minimum. In layoff, recall and filling regular job vacancies, the City shall give equal consideration to an employee's ability and performance of the duties required in the job and consideration to an employee's length of continuous service with the City in the classification. In applying this provision, where qualifications, experience and performance are equal, seniority shall govern.

Work Force Reduction Policy:*

The City may institute layoff actions for economy, efficiency or other related reasons, but will first consider voluntary alternatives. Seniority, lateral or other re-employment rights for employees will be determined by the City Administrator.

Driver's License Policy:*

Any employee whose work requires that the operation of City vehicles must hold a valid New Jersey State Driver's License.

All new employees who will be assigned work entailing the operating of a City vehicle will be required to submit to a Department of Motor Vehicles driving records check as a condition of employment. A report indicating a suspended or revoked license status may be cause to deny or terminate employment.

Periodic checks of employee's drivers' licenses through visual and formal Department of Motor Vehicles review checks shall be made by Department Heads or Division Supervisors. Any employee who does not hold a valid driver's license will not be allowed to operate a City vehicle until such time as a valid license is obtained.

Any employee performing work which requires the operation of a City vehicle must notify the immediate supervisor in those cases where a license is expired, suspended or revoked and/or who is unable to obtain an occupational permit from the State Department of Licensing. An employee that fails to report such an instance is subject to disciplinary action, including demotion or termination. An employee who fails to immediately report such revocation or suspension to their supervisor and continues to operate a City vehicle shall be subject to possible termination.

To the extent that employees use social media outside of their employment and in so doing employees identify themselves as City's employees, or if they discuss matters related to the City on a social media site, employees must add a disclaimer on the front page, stating that it does not express the views of the City, and the employee is expressing only their personal views. For example: "The views expressed on this website/web log are mine alone and do not necessarily reflect the views of my employer." Place the disclaimer in a prominent position and repeat it for each posting that is expressing an opinion related to the City or the City's business. Employees must keep in mind that, if they post information on a social media site that is in violation of City policy and/or federal, state or local laws, the disclaimer will not shield them from disciplinary action.

Nothing in these policies is designed to interfere with, restrain or prevent employee communications regarding wages, hours or other terms and conditions of employment. City employees have the right to engage in or refrain from such activities.

Unless otherwise provided by collective bargaining agreement, employees shall, after ninety (90) days continuous service from the last date of hire with the City, accrue vacation time on the following basis:

Regular Employees:

All full-time and part-time permanent employees shall earn vacation on the basis of the following schedule:

One (1) day for each month of service from the date of employment up to and including December 31 next following the date of employment. Total vacation days shall not exceed ten (10) working days in the first year.

After completion of one (1) year through completion of five (5) years 10 days
After completion of five (5) years through completion of ten (10) years 15 days
After completion of ten (10) years through completion of fifteen (15) years 20 days

After fifteen (15) years of service; the employee shall be entitled to twenty (20) days per year plus one (1) additional day per year for each year of service over fifteen (15) years.
Total vacation days under this rule not to exceed twenty-five (25) vacation days per year.

Calculations of length of service are based on anniversary date of the employees hiring. Vacation leave may not be carried forward into the succeeding year; such time must be used in that year or forfeited.

An employee who terminates employment prior to completion of his or her probationary period has not accrued vacation time, and is therefore not entitled to payment for unused vacation time.

Vacation leave shall be expended in increments of not less than one half (1/2) work day

Vacations shall be scheduled at such times as the Department Head finds most suitable after considering the wishes of the employee and the requirements of the department. All requests for vacation must be approved by the Department Head prior to the commencement of the requested vacation.

Regular part-time employees shall accrue vacation on a pro rata basis and may receive compensation at their regular rate of pay for each hour of vacation earned.

Vacation credit earned by an employee cannot be transferred to another employee.

Temporary employees shall not earn vacation nor be entitled to vacation upon separation.

Represented employees earn vacation time in accordance with their respective union agreement.

Paid holidays occurring during vacation are not charged to vacation.

Earned vacation leave, sick leave and personal leave accruals must be exhausted prior to taking an unpaid medical leave of absence.

Upon resignation with proper notice or retirement from City employment an employee shall be paid at the normal rate of pay for his unused vacation leave, provided regular status has been attained. For each full month of employment the employee shall be allowed one-twelfth (1/12th) of the vacation leave to which he would be entitled if his employment were not terminating. If an employee is prevented by injury or illness from working a full month, he shall nevertheless be entitled to vacation leave payment for that month, provided he has accrued sick leave sufficient to cover the remaining days of the month. If, at the time of separation, the vacation time used exceeds the amount accrued, then the employee's final paycheck will be adjusted so as to reimburse the City for the unearned vacation pay.

If the employee retired or resigned, such employee thereupon shall be entitled to a sum of money equal to his/her former regular compensation for any earned vacation leave time which has not been used; provided however, that an employee who fails to provide at least two weeks advance written notice of resignation, or whose employment is terminated for cause, is not entitled to be compensated for unused vacation leave.

- 2. The City Administrator shall approve all vacation schedules for Department Heads.**
- 3. Vacation approvals by Department Heads shall be made only when the efficiency of City operations will not be adversely affected.**
- 4. Unless approved by the City Administrator in advance, a Department Head and next ranking employee cannot take vacations at the same time.**

Regular full-time Employees are entitled to **2** personal days per year and any unused days are forfeited at the end of each calendar year.

Employee requests should be made on the proper form to the immediate supervisor. Approval or disapproval shall be recorded by the supervisor on the form and returned to the employee.

Employees are entitled to **6** working days of sick leave per calendar year. Prior to the return to work, the City may require an employee to be examined by a physician designated by the City to verify fitness to return to normal duties. An employee will not be permitted to return to work until the verification is received.

Unless otherwise provided by collective bargaining agreement, all regular full-time and permanent part-time employees shall be entitled to sick leave as follows:

- 1. As used herein, sick leave means paid leave that may be granted to an employee who through sickness or injury becomes incapacitated to a degree that makes it impossible for the employee to perform the duties of the position; who is quarantined (by the board of health) because of exposure to a contagious disease, or illness in the immediate family which requires the personal attendance of the employee to insure care for member of the immediate family. The term "immediate family" as referred to herein shall mean father, mother, spouse, civil union partner, child, foster child, brother or sister. - 6. If an employee is unable to report for work due to illness, this fact shall be reported to the department no later than one-half (1/2) hour after the start of the normal workday, or as soon as possible given certain extenuating individual circumstances. The employee must speak directly to a Department Head or supervisor. The employee should also let the supervisor know when he/she expects to return to work. Failure to comply may result in denial of sick leave pay.**
- 8. Sick leave shall be rounded off to the nearest half hour. When possible, sick leave should be taken in increments of no less than four (4) hours.**
- 9. No sick leave will be given to an employee in excess of the amount earned and available to the employee.**
- 10. An employee may utilize vacation time when sick leave has been exhausted.**

11. All sick, vacation, and personal leave must be exhausted prior to taking an unpaid medical leave of absence. (See section: FAMILY AND MEDICAL LEAVES OF ABSENCE.)
12. It is the responsibility of each Department Head to ensure the provisions of this policy are observed. Corrective action should be taken in instances of suspected abuses or misinterpretation of the utilization of sick leave.
13. Department Heads will ensure that any sick leave used will be reflected with the submission of time sheets.
14. It is the responsibility of the Department Heads to ensure that proper accountability of sick leave is kept on all eligible employees. This shall include keeping a record of utilization

Said 5 days will be charged against the employees' sick, vacation or personal leave, or unpaid medical leave of absence. In the event that an employee is not able to resume their duties, the employee shall be eligible to apply for temporary disability leave. All sick, vacation, and personal leave must be exhausted prior to taking an unpaid medical leave of absence. (See section: FAMILY AND MEDICAL LEAVES OF ABSENCE.)

An employee who is on temporary disability or sick leave shall keep his/her supervisor advised on a daily basis as to condition and expected date of return to duty. The employee must notify his/her immediate supervisor upon making determination to take time off from work.

Employees who fail to return to work on the date specified to the Department Head without receiving an extension are subject to disciplinary action up to and including termination.

The City may request documentation of the necessity for Bereavement Leave, in a given situation.

Jury Duty Policy:

Any regular full-time or part-time employee who is required to serve on a jury, or as a result of official City of Woodbury duties is required to appear before a court, legislative committee or quasi-judicial body as a witness in response to a subpoena or other directive, shall be allowed authorized leave with pay less any amount received for such service. A probationary employee called will have his/her probationary period extended by the same amount of time as required for serving on jury duty. An employee who

receives notice of jury duty or witness service must notify his/her supervisor immediately in order that arrangements may be made to cover the position. The City reserves the right to request that an employee who is called for jury be excused if their absence would create a hardship on the operational effectiveness of the department to which they are assigned.

The employee is responsible to turn over jury or witness fees to the Finance Department, excluding mileage fees.

Time away will not affect vacation, sick leave or personal leave accruals.

Employees who appear in court as the plaintiff or defendant in any action not related to their official duties shall not be paid for time away from work unless that time is accrued vacation or personal leave. Court payments for travel expenses are to be retained by the employee.

The employee may keep any court payment for services performed outside of regularly scheduled work time or performed while on vacation or personal leave.

Employees are to return to work after jury duty although no more than the regularly scheduled number of hours for both jury duty and work shall be required. If excused as a juror on any given day, the employee is expected to contact his/her supervisor and to report to work as instructed.

The City may require employees to supply documentation, not only of a subpoena for jury duty, but also a slip from the jury manager verifying actual attendance at jury duty.

Leave of Absence Policy:*

Employees may be granted a personal leave of absence for up to six months at the sole discretion of the City Administrator if the leave does not cause undue operational disruption. The leave must include the use of any accrued vacation and sick leave time **that is eligible for use**, regardless of the length of leave requested. The portion of the leave that runs beyond the exhaustion of vacation and sick leave will be without pay or longevity credit. In exceptional circumstances, the City Administrator may extend a leave of absence for an additional six months, if such extension is considered in the best interests of the City.

Personal leaves are not granted for the purpose of seeking or accepting employment with another employer, or for extended vacation time. Employees on personal leave of absence for more than two weeks in any month will not receive holiday pay, and will not accrue personal leave, sick leave or vacation time for that month, **provided the employee is not otherwise utilizing compensable time such as sick or vacation leave**. Health benefits may also be impacted. Refer to the City Health Benefits Policy. A personal leave is granted with the understanding that the employee intends to return to work for the City. If the employee fails to return within five business days after the expiration of the leave, the employee shall be considered to have resigned.

No sick leave, holiday, vacation benefits or any other fringe benefits shall accrue while the employee is on leave of absence without pay. The employee's anniversary date shall be adjusted to reflect the length of the absence for the purposes of computing longevity.

Family and Medical Leave Act Policy:*

Employees may be eligible for an unpaid family and medical leave under the federal Family and Medical Leave Act (“FMLA”). Employees also may be eligible for family and/or medical leave pursuant to the New Jersey Family Leave Act (“FLA”). In order to be eligible for such leave, employees must have: one (1) year of service with the City; and, at least 1,000 hours of work (for New Jersey leave) and 1,250 hours of work (for Federal leave) during the previous twelve (12) months and is employed at a worksite where 50 or more employees are employed by the employer within 75 miles of the worksite (for Federal leave). Eligible employees may receive up to twelve (12) weeks of leave per year (FMLA) or twelve (12) weeks every twenty-four (24) months (FLA).

During the leave period, the employee’s health benefits will be continued on the same conditions as coverage would have been provided had the employee been employed continuously during the entire leave. The employee will not continue to accrue vacation, sick or personal days for the period of the leave. The employee will receive seniority credit for the time that the employee has been on leave under this section. At the conclusion of the leave period, an eligible employee is entitled to reinstatement to the position the employee previously held or to an equivalent one with the same terms and benefits that existed prior to the exercise of leave.

Upon written notice, eligible employees are entitled to a family or medical leave for up to twelve weeks to care for a newly born or adopted child or a seriously ill immediate family member, including civil union partner, or for the employee’s own serious health condition that makes the employee unable to perform the functions of the employee’s position. Eligible employees who take leave under this policy must use all accrued available vacation and personal days during the leave. The use of accrued time will not extend the leave period. After exhausting accrued time, the employee will no longer be paid for the remainder of the leave.

The period of leave must be supported by a physician’s certificate. An extension past twelve weeks can be requested, but medical verification of the need must be submitted prior to the expiration of the leave. The City reserves the right to deny any request for extended leave. Additional information concerning the Family Leave Policy and eligibility requirements are available from the City Administrator.

Commencing July 1, 2009, Family Temporary Disability (“FTD”) payments for up to six (6) weeks in a twelve (12) month period will become available for eligible employees who are caring for a seriously ill immediate family member who is incapable of self-care or care of a newborn or adopted child. To be eligible, the employee must have worked at least 20 weeks at minimum wage within the last 52 weeks or earned 1000 times the minimum wage. The weekly benefit is 2/3 of weekly compensation up to a maximum of \$524 per week (this amount is subject to change). FTD will run concurrently with FMLA and/or FLA leaves and there is a

one week waiting period. Employees may also be required to use accrued sick, vacation or personal leave for up to two weeks.

Employees taking paid family leave in connection with a family member's serious health condition may take leave intermittently or consecutively. Intermittent leave is not available for the care of a newborn or adopted child. Intermittent leave may be taken in increments necessary to address the circumstances that precipitated the need for leave. An employee seeking intermittent paid family leave is required to provide the City with 15 days notice unless an emergency or other unforeseen circumstance precludes prior notice. The employee seeking intermittent leave shall make a reasonable attempt to schedule leave in a non-disruptive manner. Employees requesting such leave shall provide the City with a regular schedule of days for intermittent leave.

Employees may also be eligible for an unpaid leave for up to twenty-six (26) workweeks in a year to care for a family member on active duty in the military or a covered veteran (a covered veteran is an individual who was discharged or released under conditions other than a dishonorable at any time during the five-year period prior to the first date the eligible employee takes FMLA leave to care for the covered veteran) with a serious injury or illness incurred in the line of duty on active duty for which the service member is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, or up to twelve (12) weeks in a year for a qualifying exigency. A qualifying exigency occurs when a military member is called to covered active duty (requires deployment to a foreign country) and a close member of his/her family must attend official ceremonies or family support or assistance meetings, there is a short-notice deployment, to attend to childcare matters, attend to financial and/or legal matters, or counseling. A serious injury or illness means an injury or illness incurred by a covered servicemember in the line of duty on active duty that may render the servicemember medically unfit to perform the duties of his or her office, grade, rank, or rating.

A serious injury or illness also means an injury or illness that was incurred by the covered veteran in the line of duty on active duty in the Armed Forces or that existed before the veteran's active duty and was aggravated by service in the line of duty on active duty, and that is either:

1. a continuation of a serious injury or illness that was incurred or aggravated when the veteran was a member of the Armed Forces and rendered the servicemember unable to perform the duties of the servicemember's office, grade, rank, or rating; or
2. a physical or mental condition for which the veteran has received a U.S. Department of Veterans Affairs Service-Related Disability Rating (VASRD) of 50 percent or greater, and the need for military caregiver leave is related to that condition; or
3. a physical or mental condition that substantially impairs the veteran's ability to work because of a disability or disabilities related to military service, or would do so absent treatment; or
4. an injury that is the basis for the veteran's enrollment in the Department of Veterans Affairs Program of Comprehensive Assistance for Family Caregivers.

Any one of these definitions meets the FMLA's definition of a serious injury or illness for a covered veteran regardless of whether the injury or illness manifested before or after the individual became a veteran.

Upon employer's request, an employee must provide a copy of the covered military member's active duty orders to support request for qualifying exigency leave. In addition, upon an employer's request, certification for qualifying exigency leave must be supported by a certification containing the following information:

- statement or description of appropriate facts regarding the qualifying exigency for which leave is needed;
- approximate date on which the qualifying exigency commenced or will commence;
- beginning and end dates for leave to be taken for a single continuous period of time;
- an estimate of the frequency and duration of the qualifying exigency if leave is needed on a reduced scheduled basis or intermittently; and
- if the qualifying exigency requires meeting with a third party, the contact information for the third party and description of the purpose of the meeting.

Eligible employees may also take leave to care for a military member's parent who is incapable of self-care when the care is necessitated by the member's covered active duty. Such care may include arranging for alternative care, providing care on an immediate basis, admitting or transferring the parent to a care facility, or attending meetings with staff at a care facility.

Employees who request qualifying exigency leave to spend time with a military member on Rest & Recuperation may take up to a maximum of 15 calendar days. Upon an employer's request, an employee must provide a copy of the military member's Rest and Recuperation leave orders, or other documentation issued by the military setting forth the dates of the military member's leave.

Domestic Violence Leave:*

The New Jersey Security and Financial Entitlement Act, also known as the "NJ SAFE Act" provides protection for employees and their family members who have been the victim of domestic violence or sexual assault. Employees are entitled to twenty (20) days of unpaid protected leave from work to:

- Seek medical attention for physical or psychological injuries;
- Obtain services from a victim services organization, pursue psychological or other counseling;
- Participate in safety planning for temporary or permanent relocation;
- Seek legal assistance to ensure health and safety of the employee or the employee's relative; or

- The employee must have worked for the employer for at least twelve months and for at least 1,000 hours during the twelve (12) month period immediately preceding the requested leave; and
- The twenty (20) day leave must be taken within one (1) year of the qualifying event.

Employees may take leave on an intermittent basis but such leave cannot be shorter than one (1) full day. To the extent the leave is foreseeable, employees must provide advance notice. In addition, employee seeking leave must provide proof that they qualify for the leave. Such proof may include restraining order, letter from a prosecutor, proof of conviction, medical documentation or a certification from an agency or professional involved in assisting the employee.

In certain circumstances, the basis for the leave may also qualify under the federal Family and Medical Leave Act and/or the New Jersey Family Leave act. If so, the City will treat the leave concurrently with the leave under those statutes. Employees may be required to use accrued paid vacation leave, personal time or sick leave concurrently.

The City shall protect the privacy of employees who seek leave by holding the request for leave, the leave itself or the failure to return to work "in the strictest confidence."

The City shall not retaliate, harass or discriminate against any employee exercising his/her right to take the leave provided by this policy.

Military Leave Policy:*

When a full-time employee (either permanent or temporary) who is a member of the reserve component of any United States armed force or the National Guard of any state including the Naval Militia and Air National Guard is required to engage in field training or is called for active duty, the employee will be granted a military leave of absence for the duration of the service. The first thirty (30) workdays of the leave shall be with full pay except that a member of the New Jersey National Guard shall receive full pay for the first ninety (90) days.

Thereafter, the leave shall be without pay but without loss of time, **unless otherwise provided for by collective bargaining agreement.** The paid leave will not be counted against any available time off including but not limited to vacation, sick or personal time. A full-time temporary employee who has served less than one-year shall not be entitled to paid leave but shall be granted non-paid military leave without loss of time.

Employees on military service will also continue to receive paid health insurance coverage during the period of the paid leave plus an additional thirty calendar days after the paid leave is exhausted. After this period has expired, employees may continue coverage for themselves or their dependents under the City group plan by taking advantage of the COBRA provision. Members of the State administered retirement systems (PERS, PFRS, and Defined Contribution Retirement Program) will continue accruing service and salary credit in the system during the period of paid leave.

Pursuant to the Uniformed Services Employment and Reemployment Rights Act, any employee released from active duty under honorable circumstances shall return to work without loss of privileges or seniority within the following time limits: for service less than

thirty-one (31) calendar days, the employee must return to work on the beginning of the first regularly scheduled workday or eight (8) hours after the end of military duty, with reasonable allowances for commuting; for service of thirty-one (31) to one hundred eighty (180) calendar days, the employee must submit an application for reinstatement within fourteen (14) calendar days after completing military duty; for service greater than one hundred and eighty (180) calendar days, the employee must submit an application for reinstatement within ninety (90) calendar days after completing military duty.

Non-Exempt employees working overtime without prior approval will be subject to disciplinary action.

Non-Exempt employees will receive overtime compensation for hours worked in excess of forty in a weekly period. Employees will receive overtime compensation in the form of overtime pay at their regular hourly salary.

Non-Exempt employees will receive one and one-half hours of overtime compensation for each hour worked in excess of forty hours in a weekly period. For purposes of overtime compensation, hours worked are computed to the nearest one-quarter hour per day. Previously scheduled vacation time and holiday time are considered time worked for purposes of determining overtime compensation, but sick time and personal time are not.

In addition to the requirements of the Federal Fair Labor Standards Act, Non-Exempt employees will also receive overtime compensation for work in excess of thirty-five hours but not greater than forty hours in a weekly period. This other compensation will be one hour for each hour worked in excess of thirty-five hours.

The provisions of the Annual Salary Ordinance shall govern pertaining to the authorization and payment of overtime for non-union employees. Union employees receive overtime pay in accordance with their labor agreement. Department Heads are the authorized authority for the approval of overtime requests. It shall be the responsibility of each Department Head to equitably administer the provisions of this policy within their respective departments. Department Heads shall ensure that all

overtime earned is recorded on the employee's time card as it occurs. Department Heads will exercise extreme discretion in the utilization of overtime within their departments. Temporary adjustments in working hours or realignment of duties within the department should be considered as alternatives to the use of overtime. Overtime shall be considered necessary only in emergency situations, wherein additional effort is needed to complete a task which is critical in nature.

Timesheets:

Non-exempt employees are required to accurately record their work time on the designated time record, sign it and return into his/her supervisor. Non-exempt employees and exempt employees are required to report their sick time, vacation time and holiday time on the designated time record. Non-exempt and exempt employees should turn the time record into his/her supervisor.

The supervisor shall review the record for accuracy and approve it and submit it to the designated payroll representative.

Payment for Accumulated Absence:

To the extent that a local ordinance, collective bargaining agreement, or an employment agreement provides for the payment of compensation for pay while absent from work, the City shall only make such payment if the chief financial officer or Executive Director certifies that such amount is due and that proper documentation establishing that the amount of the accumulated absence has been provided and funds are available to pay. Proper Documentation includes:

- A copy of the agreement, ordinance and/or resolution;
- Documentation of the amount of accumulated absence time; and
- The total value of the compensation due.

Nothing in this section grants employees compensation for absences from work.

Health Insurance Policy:

Regular full-time Employees and their **eligible dependents**, including civil union partner, are provided health insurance coverage administered by an authorized insurer. The City reserves the right to change provider networks, claims agents, and insurance mechanisms (fully insured versus health insurance fund, e.g.). The complete benefit plan is on file in the Payroll office and a Summary Plan Description will be provided to all employees. Benefit levels for non-unionized employees are subject to change at the discretion of the City. **Coverage becomes effective the first day of the month following the successful completion of the first sixty days of employment. Enrollment cards are available from the Payroll Office. It is the employee's responsibility to notify the Payroll Office of any change in dependent status by completing updated enrollment cards.**

Health insurance coverage for employees on a Leave of Absence or who cease City employment will terminate at the end of the month in which the leave begins or employment is terminated except coverage will continue for up to twelve weeks for employees on leave

pursuant to the Family and Medical Leave Act and up to thirty weeks for employees on Military Leave. Upon termination of coverage, employees may extend health insurance coverage for themselves or their dependents by taking advantage of the **Consolidated Omnibus Budget Reconciliation Act (COBRA)** provision for a period of up to eighteen months to thirty-six months. All newly hired employees and their spouses shall receive a notice of COBRA rights upon being hired. For more information, consult the Payroll Office.

Employees who retire with twenty–five years of service to the City of Woodbury may continue to receive paid health insurance coverage. **All eligible employees hired after January 1st, 2014, will, upon retirement with the City, be eligible for single benefits only.** Employees receiving retiree health benefits must notify the Payroll Office in writing, with proof of enrollment, when they become eligible for Medicare Parts A and B. For more information, consult the Payroll Office.

PRESCRIPTION AND DENTAL PLANS

All non bargaining unit employees, who otherwise qualify for health benefits, are eligible for prescription drug and dental coverage as described in the plan document on file with the City Clerk.

UNEMPLOYMENT COMPENSATION

The City is a covered employer under the Unemployment Compensation law. The basic objective of the program is to provide a partial replacement of wages for its employees during short periods of involuntary unemployment. The program is financed completely by the City and the employee. To be eligible for unemployment compensation, a voluntary quit must have left employment for a "good cause" reason. Reasons establishing eligibility for unemployment compensation are available from the State Employment Security Office. The City may contest the claim of an employee who quits without "good cause" or who quits for other reasons.

Flexible Spending Account:

Chapter 78, P.L. 2011, the Pension and Health Benefit Reform Law, requires local government and local education employers to offer Section 125 plans to their employees. See the Payroll office for more information regarding the City's Section 125 plan available.

Retirement Policy:

Under State law, all employees must enroll in the New Jersey Public Employees Retirement System or the Police and Fire Fighters Retirement System **or the Defined Contribution Retirement Program** as applicable. The employee's contribution to the Plan will be deducted from the employee's pay. An employee who has completed the required number of years and who has reached the required age under the Plan may retire by notifying the Department Head in writing. The State retirement plans request six months advance notice to process the application. After giving notice of retirement, employees are expected to assist their supervisor and co-employees by providing information concerning their current projects and help in the training of a replacement. The Department Head will **advise the City Administrator of the pending retirement.** A COBRA notification letter will be sent to the employee's home

address. On the last day of work, and prior to receiving the final paycheck, the employee must return the Employee Identification Card, all keys and equipment.

Workers Compensation Policy:

Employees who suffer job related injuries and illnesses may be entitled to medical **treatment**, lost income and other compensation under the New Jersey Workers Compensation Act. The City covers workers compensation benefits through its membership in a joint insurance fund. Any occupational injury or illness must be immediately reported to the supervisor or Department Head. All required medical treatment must be performed by a Workers Compensation Physician appointed by the joint insurance fund or the City, and payment for unauthorized medical treatment may not be covered pursuant to the Act.

Unless explicitly provided for in a bargaining agreement, the City will only pay, either directly or through its Workers' Compensation insurer, those benefits that are specifically provided for under the Workers' Compensation Act and will not supplement these benefits with additional benefits pursuant to NJSA 11A:6-8.

Employee Assistance Policy:

The City of Woodbury will provide an "Employee Assistance Program" for its employees and supervisory personnel which will include a program of education and training on the effects of drug abuse. We will make available to all employees informational material related to the cause and effects of substance abuse. United Way maintains a community service hotline telephone number, which can be used by our employees whenever assistance is required by dialing 211. The Addiction Hotline toll-free number is 800-238-2333.

Educational Assistance and Training Policy:

Subject to sufficient funds in the budget and upon approval of the Department Head, employees may apply to the City Administrator for reimbursement of tuition expenses incurred for training or college courses directly related to the employee's work. The City Administrator will be the sole judge of whether a particular course or program is "directly related" to the employee's work. Employees must obtain this determination before enrolling in a course or program.

Employees are encouraged to continue their formal education through participation in off-duty/non-working hours educational programs. Reimbursement for educational expenses incurred by such participation may be granted for job related courses with prior written approval of the City Administrator, provided funds have been budgeted for such reimbursement.

Compensatory time will not be granted for any training or education assistance which occurs outside normal working hours, unless prior written authorization is given by the City Administrator.

Employees may receive reimbursement for up to **100%** percent of the tuition cost for training or college courses that they take on their own initiative. The reimbursement must be repaid if the employee leaves City employment within twenty-four months of **completion of the**

training. When enrollment for short training courses or seminars is requested by the City, employees will receive full reimbursement.

Any reimbursement shall only be after successful completion of the course/ program. Successful completion shall be defined as receipt of a certificate of satisfactory completion or a grade of C (2.0 grade point) or better in the case of academically rated courses (or attainment of pass in a pass/fail grading system.) Approval for tuition reimbursement shall only be allowed for courses offered by accredited colleges, universities or vocational training institutes.

Request for reimbursement must be made within 30 days following the completion of the course of study. Training reimbursement is generally available to only those employees who have successfully completed the employee's designated probation period.

Consideration of employee requests for tuition reimbursement is dependent upon budgetary constraints and the recommendation of that employee's Department Head. Time spent in attendance at these courses does not count as time worked for purposes of overtime calculation.

Employees who acquire training on their own time and expense are encouraged to notify the City Administrator so the information can be noted in the employee's personnel file. The City Administrator shall periodically audit training attendance and policy compliance.

Conference and Seminar Policy:

Requests to attend a conference or seminar must be approved by the Department Head. Requests shall be made sufficiently in advance to take advantage of discounts for early registration, and must be submitted to the Department Head at least thirty days before the event. Requests must be in writing including the conference schedule, registration information and estimated costs. The Department Head is responsible to detail all training requests during the budget formulation process. Approval of any conference or seminar request is conditioned upon the availability of funds.

As addressed by this policy, training is defined as any work-related program, seminar, conference, convention, course or workshop attended by an employee whose tuition and expenses are funded in whole or in part by the City or while the employee is in a paid status with the City.

- 1. It is the policy of the City to encourage and coordinate training opportunities for employees and supervisors in order that services rendered to the City will be more efficient and effective.**

- 3. All outside training and conference attendance shall be processed on City Requisition with original receipts attached.

TRAVEL EXPENSES WHILE ON CITY BUSINESS

When two or more employees are attending the same seminar, convention, or meeting, carpooling shall be practiced. The actual odometer reading from City Hall to destination and return to City Hall will be used, or the actual mileage traveled, whichever is less.

If an employee for his or her own convenience travels by an indirect route or interrupts travel by the most economical route, the employee shall bear any extra expense involved. Reimbursement for such travel shall be for only that part of the expense as would have been necessary in order to travel.

Out-of-State Travel requires prior approval by the City Administrator.

The City Administrator will undertake to recruit qualified applicants in accordance with applicable Federal and State law. Where positions are advertised, the media or other periodical utilized must have as wide circulation as possible to encourage applications from candidates from diverse backgrounds and must prominently state that the City is an equal opportunity employer.
- **Applications:** All candidates must fully complete an application form. A resume will not be considered as a substitute for this form. The application is a confidential document and will not be available to anyone who is not directly involved in the hiring process, except as required by law.

The same post-offer physical examination must be performed on all applicants for a particular position. The City Administrator may require periodic physical examinations to determine the employee's continued ability to perform the duties of the position. All physical examinations must be performed by a physician chosen by the City at the expense of the City. All medical records of employees and prospective employees are confidential and are to be maintained by the City Administrator separate from the employee's official personnel file. Medical exams may include tests for drug and alcohol use.
- **Job Offers:** The final decision will be made by the **City Council, or City Administrator in conjunction with the Department Head, as appropriate** after all references and other information has been verified. Every effort shall be made to offer

Once a candidate accepts the employment offer, all other candidates will be notified in writing that they were not accepted for the position.

Documents related to the successful candidate will be placed in the employee's official personnel file except medical records including physical examinations must be maintained in a separate file. All records documents related to other candidates must be retained for at least one year. Records and documents created during the hiring process are confidential and must be retained in a locked cabinet.

Nepotism Procedure:

Unless otherwise provided by law or collective bargaining unit agreements, immediate relatives shall not be hired, promoted or transferred to a regular full-time or regular part-time position where:

- One relative would have the authority to appoint, remove, discipline or evaluate the performance of the other;
- One relative would be responsible for auditing the work of the other; or
- Other circumstances exist that place the relatives in a situation of actual or reasonably foreseeable conflict of interest.

For purposes of this policy, immediate relative includes spouse or significant other, child, parent, stepchild, sibling, grandparents, daughter-in-law, son-in-law, grandchildren, niece, nephew, uncle, aunt, or any person related by blood or marriage residing in an employee's household.

Open Public Meetings Act Procedure Concerning Personnel Matters:*

Discussions by the governing body or any body of the City concerning appointment, termination, terms and conditions of employment, performance evaluation, promotion or discipline of any current or prospective officer or employee shall be in closed session unless the individual requests in writing that the discussion be held in open session. Such request must be granted. Prior to the discussion by the governing body or any body of the City concerning such matters, the Clerk shall notify the affected person(s) of the meeting date, time and place, the matters to be discussed and the person's right to request that the discussion occur in open session. In the event more than one person is affected by the discussion and one of the

affected persons does not request that the discussion be in open session, then the discussion shall be in closed session. If the individual(s) does not request that the discussion be held in open session, the governing body or other body of the City may at its sole discretion invite the affected individual(s) to attend the applicable portion of the closed session.

Processing and Orientation of New Employees Procedure:*

All new regular full-time and regular part-time employees will be scheduled to meet with the **Payroll Office** and Department Head on their first day for a general orientation. Copies of all forms and acknowledgements must be returned to the City Administrator for inclusion in the employee's official personnel file. The orientation will include:

- A tour of the appropriate facilities to acquaint the new employee with overall operations as they relate to the specific position;
- The completion of all pertinent personnel, payroll, insurance and pension forms;
- A review of the Employee Handbook and acknowledgement of receipt;
- A review of the Personnel Policies and Procedures Manual if the employee is a manager or supervisor and acknowledgement of receipt;
- The Employee Complaint Policy letter and acknowledgement;
- A safety orientation and acknowledgement; and
- Arrangements for the new employee to complete required PEOSHA safety training.

Initial Employment Period Procedure:*

Except where State requirements direct otherwise, new employees (or present employees transferring to new positions) will be hired subject to an initial employment period of not less than **3** months or more than **12** months, as determined by the City Administrator. During this initial employment period, the new employee or transferee will be provided with training and guidance from the supervisor. At the end of the initial employment period, the supervisor will conduct an employee evaluation – see Performance Evaluation Procedure. New employees may be discharged at any time during this period if the City Administrator concludes that the employee is not progressing or performing satisfactorily. Under appropriate circumstances, the City Administrator may extend the initial employment period. (Newly hired employees are not eligible for payment of paid time off except holidays until the successful completion of their initial employment period.)

Nothing in the procedure set forth in this section shall alter City's employment at will policy. Employment with City is at will and may be terminated at any time with or without cause or notice by the City or the employee.

RE-EMPLOYMENT

Any former regular employee who resigned from the City in good standing is eligible for re-employment.

Persons interested in re-employment should file a completed City application form with the City Administrator. The individual will then proceed through the regular hiring procedures with other applicants.

An individual re-employed in his/her former position may be paid at the same pay step at the time he/she left the City, provided however, that the re-employment is within 1 year of the previous resignation.

The compensation of an employee re-hired to a position other than the former position will be subject to provisions for new hires.

Vacation eligibility and longevity pay will be based on the total years of service since initial hiring, provided the reinstatement is within 12 months of resignation.

The anniversary date for future pay increases will be revised to coincide with the re-employment date.

The individual's previous personnel file will be re-activated once re-employed by the City provided re-employment is within seven years after the original resignation.

All individuals re-employed by the City must complete a new probationary period.

PROMOTIONS

The City attempts to fill all vacant positions with qualified City employees before advertising to the general public, following a policy of upward mobility whenever feasible and in the best interests of the City.

Employees are encouraged to apply for any vacancy for which they may qualify.

Generally, employees are expected to serve in their current position for at least a year before being considered for a promotion.

Selection of an employee for a promotion (or lateral transfer) is based on past work record, education, knowledge of the job duties, time in service, and the needs of the City.

When considering the promotion (or lateral transfer) of City employees having the same or similar qualifications, the position will be filled after considering the factors listed above.

In cases where only one employee applies for a position and the person's abilities and qualifications are known to the hiring department, the formal selection process may be dispensed with upon concurrence of the City Administrator.

No offer of promotion may be made to any employee prior to completion of the recruitment and selection process. Temporary assignments may be made by the Department Head for a specified time or assignment as necessary. Such appointments are

made on "acting" basis and the employee returns to his or her regular position upon completion of the assignment.

Promotions do not change the person's date of hire. However, the anniversary date for future pay increases will be revised to coincide with the promotion date.

Persons so promoted will be subject to the standard probationary period for the new position, unless specifically waived by the City Administrator. Those who fail the probationary period may re-assume any prior appointment held prior to the promotion unless that position has been filled by a Regular employee (i.e., an employee that has successfully completed the probationary period for that position).

DEMOTIONS

An employee reassigned to a position in a lower classification regardless of the reason (disciplinary, in lieu of layoff, for reasons of disability or incapacity, department reorganization, etc.) will receive a cut in pay commensurate with the nature of the demotion as determined by the Department Head in consultation with the City Administrator.

Demotions do not change the person's date of hire. However, the anniversary date for future salary increases changes.

No employee shall be demoted to a position for which he or she does not possess the minimum qualifications.

An employee being demoted shall be notified two weeks prior to demotion except in emergency situations.

Persons demoted to new positions will be subject to the standard probationary period for the new position, unless specifically waived by the City Administrator.

TRANSFERS

Any current employee (regular part-time or regular full-time) interested in applying for a transfer must file a completed City application form with the City Administrator in accordance with instructions listed on the employment opportunities notice.

If the employee meets the stated requirements for the position he/she will proceed through the regular hiring procedures with all other applicants. Transfers are made only when the City's service will benefit. Generally, employees are expected to serve in their current position for at least one year before being considered for transfers. All else being equal, current City employees will be given priority for open positions.

The personnel file of the transfer applicant will be made available to the department head responsible for filling the open position.

If the current employee is selected, his/her department head will be advised prior to the offer being made to the employee.

If the employee accepts the position, it will be the responsibility of the two department heads, along with the employee, to reach agreement on a transfer date. In the event satisfactory agreement cannot be reached on this matter, it will be forwarded to the City Administrator for a decision. Every effort should be made to accomplish the transfer within two weeks of the offer's acceptance.

The salary offered to the employee must be consistent with the Salary Ordinance. Thus, an employee may receive a reduction in salary.

Transfer employees will serve a probationary period in his/her new position. Transfer employees remain eligible for all fringe benefits included with the previous position.

If the position to which an employee transfers carries benefits different from those of the previous position, the benefits of the new position apply.

Transfers do not change a person's date of hire. However, the anniversary date for future step increases will be revised to coincide with the transfer date.

Transfers may also be initiated by the City in instances where the City's best interests may be served.

Employee Handbook Procedure:*

The City Administrator with the assistance of the Labor Counsel shall draft an Employee Handbook for the approval of the City Council. A separate version of the Handbook will be drafted for part-time and seasonal employees as well as for major bargaining groups if appropriate. Once approved, copies will be distributed **electronically or, upon request, in printed form** and employees will be required to sign an acknowledgement of receipt that will be placed in the official personnel file. The Handbook will be revised and re-distributed whenever there is a significant change in personnel practice or every two years.

Performance Evaluation Procedure:*

Periodic evaluations are critical to create a formal record of an employee's performance over time and establish a foundation for personnel actions such as promotion and termination. In addition to day-to-day feedback to the employee, a performance evaluation must be conducted for all employees at least annually. The completed appraisal becomes part of an employee's permanent record.

Performance discussions must also provide employees with guidance regarding their ability to meet job standards. Extraordinary skills or abilities should be recognized in addition to areas for improvement. Supervisors or Department Heads should review future training needs and career planning. The reviewer should also encourage the employee to make suggestions about how the department can improve. The reviewer should ask employees for feedback regarding the employee's skills as they relate to communication, team building, delegation, and sensitivity to needs of subordinates. Open communication is the key to improvement.

- **Setting the Stage:** The reviewer must create a productive climate for the discussion. In preparing the evaluation form, prior evaluations should be reviewed to identify trends. Employees must be notified in advance of the meeting and should be given a copy of the blank evaluation form. The meeting should be private without interruptions in a comfortable environment.
- **Confirm Expectations:** The reviewer should start the discussion of each performance area by reviewing expectations. Ask the employee to confirm the employee's understanding of job requirements. Refer to the job description as appropriate.
- **Rating:** Continue the discussion by giving the employee's rating in each performance area. The supervisor should be prepared to refer to documentation. Employees should be evaluated based on set standards, not as they compare to other employees. It is rare that any person's rating in all areas is either high or low. The evaluation should consider performance during the entire period, not just the recent past. Care should be taken to avoid allowing one aspect of a person's performance to overshadow all other performance factors be it positive or negative. Ideally, each performance area should be evaluated individually based on specific behaviors exhibited.
- **Discussing Future Plans:** This is where the reviewer should turn to the discussion to the future performance and development of the employee. A Counseling Action Plan form must be completed if any item is rated "Needs Improvement" or "Does Not Meet Minimum Standards." Specific performance goals must be established for the next review period along with plans for achieving those goals.
- **Closing the Discussion:** When all performance areas have been discussed, close the discussion by summarizing all of ratings in an overall rating for the review period.

It is crucial that all reviewers complete the evaluation forms with care and with complete candor. Although reviewers are encouraged to set forth areas of strength and utilize tact in presenting criticism, it is important that all performance issues of any significance be addressed thoroughly and in unambiguous terms in the evaluation form, and verbally with the employee.

Exceeds Expectations means consistently exceeds established standards in most areas of responsibility. All requirements must be met and objectives achieved above the established standards.

Meets Job Requirements means all job requirements were met and planned objectives accomplished within established standards. There were no critical areas where accomplishments were less than planned.

Needs Improvement means performance in one or more critical areas does not meet expectations. Not all planned objectives were accomplished within the established standards and some responsibilities were not completely met.

Does Not Meet Minimum Standards means performance is unacceptable and important objectives have not been accomplished. Needs immediate improvement.

After completing the evaluation, the reviewer will return the form(s) with the signed acknowledgement to the City Administrator for inclusion in the employee's official personnel file. As a part of the evaluation, employees have the right to request a conference with the City Administrator.

Disciplinary Action Procedure:*

All employees are expected to meet the City's work performance standards. The intent of the Disciplinary Action Procedure is to formally document problems and provide the employee with a reasonable time to improve performance. The process should encourage development by providing employees with guidance in areas that need improvement such as poor work performance, attendance problems, personal conduct, general compliance with the City's policies and procedures and other disciplinary problems.

Should a supervisor believe that an employee is not conforming to the City's policies and rules or to specific instructions, or has acted improperly, the supervisor will first privately discuss the matter with the employee to obtain the employee's view. If the supervisor determines that the employee has acted improperly, the supervisor shall take one of the following actions depending upon the gravity and the employee's past record. At the discretion of the supervisor and the City Administrator, action may begin at any step, and/or certain steps may be repeated or by-passed.

- **Verbal Reprimand:** Depending on the circumstances, the supervisor may verbally notify the employee that the employee's actions have been improper and warn the employee against further occurrences. The supervisor will prepare a record of the verbal reprimand including the date, time and what was discussed with the employee. This record must be forwarded to the City Administrator for the employee's official personnel file.
- **City Administrator Review:** Should the supervisor consider the offense sufficiently serious to warrant consideration by the City Administrator, the employee will be so advised and a meeting arranged with the City Administrator at the earliest possible date. All facts should be detailed at this meeting and, if possible, a determination will be made at that time of disciplinary action, if any.
- **Written Reprimand:** When a supervisor determines that a written reprimand is appropriate, the situation must be discussed with the City Administrator. The reprimand should clearly identify the problem and outline a course of corrective action within a specific time frame. The employee should clearly understand both the corrective action and the consequence (i.e., termination) if the problem is not corrected or reoccurs. The employee should acknowledge receipt of the warning and may include additional comments. A copy of the written reprimand with the signed

acknowledgement and comments must be forwarded to the City Administrator for the employee's official personnel file.

- **Suspension:** Whenever an employee is recommended for suspension, the City Administrator will make the decision and may seek the advice of the Labor Counsel if appropriate. Suspended Employees may request a hearing under the applicable grievance procedure.
- **Dismissal:** Whenever an employee is recommended for dismissal, the City Administrator will make the decision only after seeking the advice of the Labor Counsel or City Solicitor. There must be a complete review of the employee's personnel file and all other facts to determine if there is sufficient cause for the dismissal. Terminated employees may request a hearing under the applicable grievance procedure.

Personnel File Procedure:*

The official personnel files shall be maintained by the City Administrator and employee medical information will be maintained in a separate file. At least annually, the City Administrator will review files to make sure they are up-to-date and will follow-up with the Department Heads as necessary.

The Official file shall include at least the following:

- The original application signed by the employee;
- Notes from any pre-employment interview and reference check;
- The original letter detailing an offer of employment and any additional correspondence concerning the employee's hiring;
- A signed acknowledgement that the employee received a copy of the Employee Complaint Policy letter;
- A signed acknowledgement that the employee has received the Employee Handbook;
- A signed acknowledgement that the employee received the safety orientation;
- Annual written performance evaluations including documentation that the evaluation was reviewed with the employee;
- Counseling Action Plans;
- Records relating to on-the-job accidents;
- Disciplinary actions including an acknowledgement that the employee was notified of the proposed disciplinary action and was given an opportunity to respond;
- Records relating to any other employment actions including promotions, demotions, transfers, resignations, leaves, etc.;
- Educational transcripts; and
- Any other pertinent information.

Department Heads are responsible for the forwarding of documents for inclusion in the Personnel files of those employees assigned to their department. Each employee is responsible for the verification of information contained in the personnel file through

periodic audit. An administration representative must be present when file is audited. All audits or inspection of records by employees shall be scheduled by the Department Head. All audit appointments should be with the City Administrator. The purpose of the audit or inspection is to ensure accuracy and completeness of the file.

Employee Complaint Investigation Procedure:*

Employees have the right to formally or informally report any statement, act, or behavior by a co-employee, supervisor, elected official or visitor that they believe to be improper.

- **Reporting:** Employees should be asked to report complaints in writing utilizing the Employee Complaint form, but are not compelled to do so.
- **Identification/Screening:** The supervisor, Department Head, or Labor Counsel must report all written or verbal complaints to the City Administrator unless the complaint is against the City Administrator. Upon receipt, the City Administrator will determine if the complaint was made pursuant to the General Anti-Harassment Policy, the Anti-Sexual Harassment Policy, the Whistle Blower Policy, a grievance procedure or is another form of complaint. A file will be established including the written complaint, the investigation procedure followed and the response action plan. As soon as possible but no later than ten days after receiving the complaint, the City Administrator or investigator appointed by the City Administrator will interview the employee. If the employee is reluctant to sign a written complaint, the City Administrator or investigator will prepare written notes of the date, time and place of the complaint and the specific allegations. These notes will be read back to the employee who will be asked to affirm, preferably in writing the information's accuracy.
- **Investigation:** The City Administrator will seek the advice of the Labor Counsel when planning the investigation. The investigation should be conducted by the Labor Counsel or county prosecutor if it involves potential criminal charges. The investigation should establish the frequency and nature of the alleged conduct and whether the complaint coincides with other employment events such as a poor performance evaluation. The investigation should also determine if other employees were subjected to similar misconduct. It is important to protect the rights of both the person making the complaint and the alleged wrongdoer.
- **Response Plan – No Corrective Action Required:** The City Administrator will discuss the conclusions with the Labor Counsel or City Solicitor and render a decision within fourteen days after the investigation is complete. If the validity of a complaint cannot be determined or the complaint is groundless, the complaining employee should be notified in writing. Care should be taken to avoid being too specific, confrontational or accusatory and to avoid any language that might be construed as defamatory. A general statement is usually more appropriate that the claim was thoroughly investigated, but could not be sufficiently documented or confirmed to justify taking formal action. The employee should be assured that future complaints will be investigated and that the City is committed to eliminating wrongful employment practices when they are found to exist. If the investigation reveals that the complainant

intentionally and maliciously levied false charges against the alleged wrongdoer, the complainant must be notified of the seriousness of filing a false complaint, and the appropriate disciplinary penalty under the circumstances, up to and including termination.

- **Response Plan – Corrective Action Required:** If the investigation reveals that the complaint is justified and substantiated, the City Administrator will formulate with the advice of the Labor Counsel a corrective action plan as well as possible disciplinary action. The complaining employee will be notified, in writing that it appears that the complaint was justified and an appropriate response plan has been formulated. A copy of the response plan should be attached to the letter. The response plan should provide for appropriate remedial action to prevent a recurrence of the wrongful act or behavior.

Requests for Employment Verification and Reference Procedure:*

Inquiries and written requests for references or employment verification regarding a current or former employee must be referred to the City Administrator or payroll office. No employee may issue a reference letter without the permission of the City Administrator. Under no circumstances should any information be released over the phone.

In response to a request for information, the City Administrator or payroll office will only verify an employee's name, dates of employment, job title, department and final salary. No other data or information will be furnished unless (1) the City is required to release the information by law or (2) the employee or former employee authorizes the City in writing to furnish this information and releases the City from liability.

Continuing Education Procedure:*

The City, in conjunction with the Joint Insurance Fund, will arrange for employment practices seminars at least annually to train all managerial/supervisory personnel. The City will also offer non-mandatory training to all other employees with special emphasis on employee rights and protections under various Federal and State laws as well as City employment practices. Records will be maintained in the official personnel files of all employees trained under this procedure.

Managerial and supervisory personnel will also update employees periodically by department meetings and memos that should address specific problems and concerns that may arise. Every effort will be made to encourage employee suggestions about ways to avoid employer-employee disputes and violations of employment rights.

INSURANCE CLAIMS

1. **No employee will discuss matters involving claims against the City.**
2. **All questions pertaining to claims shall be referred to the Claims Coordinator or City Solicitor.**
3. **Claims for damages presented to the City shall be referred immediately to the Claims Coordinator for filing.**

Responsibilities

- 1. All City employees must notify their supervisor in the case of incidents involving potential claims immediately. The supervisor must report, in writing, to the Claims Coordinator within 1 day. Items reported should include any property damage occurring during work for the City, no matter how small.**
- 2. The Claims Coordinator is responsible for receiving all damage claims against the City and reporting them to the JIF Safety Committee.**
- 3. The Claims Coordinator shall:**
 - a. Ensure that any applicable provisions of State law are met, and see that all claims for damages accurately locate and describe the defect or act that caused the injury, reasonably describe the injury and state the time when it occurred, contain the item of damages claimed and be verified by the claimant or a relative of the claimant, attorney or agent of the claimant.**
 - b. Refer claim to carrier within 3 working days and provide informational report to JIF Safety Committee on claim status.**
 - c. Recommend action to JIF Safety Committee within thirty days of receipt regarding claims which fall below deductible limits of existing policies or which are not covered under existing policies.**

Receipt for Personnel Policies and Procedures Manual

I acknowledge that I have received a copy of City's Personnel Policies and Procedures Manual. I agree to read it thoroughly. I agree that if there is any policy or provision in the manual that I do not understand, I will seek clarification from my supervisor or the City Administrator. I understand that the City is an "at will" employer and consistent with applicable Federal and State law (as well as applicable bargaining unit agreements), employment with the City is not for a fixed term or definite period and may be terminated at the will of either party, with or without cause, and without prior notice. No supervisor or other representative of the City has the authority to enter into any agreement for employment for any specified period of time, or to make any agreement contrary to the above. In addition, I understand that this manual states the City's personnel policies in effect on the date of publication. I understand that nothing contained in the manual may be construed as creating a promise of future benefits or a binding contract with the City for benefits or for any other purpose. I also understand that these policies and procedures are continually evaluated and may be amended, modified or terminated at any time.

Please sign and date this receipt and return it to the City Administrator.
